

Alert:

Oak Trail Residents

December 17, 2020

Someone is vandalizing the new plants Oak Trail Homeowners' Association has installed by placing salt around the base of the plants.

Please review your doorbell cameras or outside security systems to help us identify the person.

Vandalism in the community costs everyone money.

All residents should be vigilant at this time and report any suspicious activity to Blue Ribbon Property Management.

Thank You,

Richard Balderston L.C.A.M

Managing Agent for Oak Trail HOA

CC: Board of Directors
